

## E- BOARD MEETING 7/19/2007

6:30pm

Acceptance of minutes from previous meeting May 07

Attendance; April Gilligan, Jayne Brannon, Kristi Bancroft, Diane Harding, Charlie Cutshaw, Celia Redmond, Rhonda Hoekley, Gary Nichols and Bobby Harding

Bobby Harding had everyone come outside to see the fix-up job done on the golf cart. Celia will need to send a thank you note to Randy at Panama City Golf carts who donated the job. He also displayed the flag pole covers that were made and donated by the Citizens Police Academy Volunteers. Bobby is going to get the name of the lady who did the sewing.

T Shirt Ads need to be in ASAP. The shirts need to be here to hand out by August 31st. We have 133 "Property Of" shirts in storage. Celia is going to talk to some of the businesses she knows of to get ads. Jayne is going to do an ad for Brannon Aluminum. Check with some of the kids if they want to buy an ad. Practice field is mainly being taken care of by Bobby at this time. Need more paint for the lines on the practice field. Voted yes to use the home depot card to buy more paint.

Desperately needing someone to organize the uniforms and keep an eye on that through the season. At the end of band camp we need to distribute the cleaned uniforms. So we need someone on that immediately. At the parent meeting on Thursday we will discuss the uniforms with parents about cleaning and collecting. The new gauntlets came in. Because the students are losing them the thoughts are to collect the gauntlets and the rope sash after every game. We all agreed to have the students turn in those after the games.

Need volunteers during the band camp. Charlie did get a yes from Kristi, Jayne, Rhonda and Diane to be there during the days. Gary is looking for some seniors from last year to work during the camp and get paid for their time. Flag crew is going to watch a taped film on the routine. Think their might be 15 girls for flag crew.

Rhonda made a flyer to post everywhere to get more communication to all. She will also make business cards with quick info to hand out to parents.

Checking on having a Burger BBQ at end of camp. Not sure yet.

At meeting need to have a slideshow for parents to see the fun times involved in band and help to encourage them to volunteer. Everyone send photos to Charlie or Diane. Voted to accept to call the "Band Boosters" name, Arnold Bands Parents Association when referring to parent meetings or announcements or literature. Trying again to sound parent friendly and get more volunteers this year out of the parents.

Went over this years calendar. We have only 2 away games. Synergy concert is Dec.4th. Sims band contest is Sept.29th. and we will have to leave the school around 7:30am that day and get back 1am. Band will not do the boat parade this year because it is August 18th and band won't be ready.

Meeting adjourned 8pm.
